All installers of subsurface sewage disposal systems must hold a valid annual license from the Tennessee Department of Health and Environment.

The recipient of this permit agrees to construct or have constructed the above described system in accordance with 68-13-401 et. seq. and The Regulations To Govern Subsurface Sewage Disposal Systems. If any part of the system is covered before being inspected and approved, it shall be uncovered by the recipient of the permit at the direction of personnel of the Department of Health and Environment. Any cutting, filling or alterations of the soil conditions on the aforementioned property after this day may render this approval null and void.

X Tony Young (Signature of Recipient) Date 1-10-92
 Issued at SPARTA Tennessee, in WHITE County
 By Jim Deefe Env. Spec. Date 1-10-92
